I. Sections 22-40 through 22-59 of Article II of Chapter 22 are hereby replaced and shall read as follows:

**Sec. 22-40. Purpose.**

In the development and execution of this Division, it is recognized that there are some uses which, because of their very nature, have serious objectionable operational characteristics, particularly when several of them are concentrated under certain circumstances or when one (1) or more of them are located in near proximity to a residential zone, thereby having a deleterious effect upon the adjacent areas. Special regulation of these uses is necessary to ensure that these adverse effects will not contribute to the blighting or downgrading of the surrounding neighborhood. These special regulations are itemized in this Division. These controls are for the purpose of preventing a concentration of these uses within any one (1) area, or to prevent deterioration or blighting of a nearby residential neighborhood. These controls do not legitimize activities, which are prohibited in other Sections of this Code.

In regulating sexually oriented businesses, it is the purpose of this article to promote the health, safety, and general welfare of the citizens of the City, and to establish reasonable and uniform regulations to prevent the deleterious secondary effects of sexually oriented businesses within the City. The provisions of this ordinance have neither the purpose nor effect of imposing a limitation or restriction on the content or reasonable access to any communicative materials, including sexually oriented materials. Similarly, it is neither the intent nor effect of this ordinance to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of this ordinance to condone or legitimize the distribution of obscene material.

Based on evidence of the adverse secondary effects of adult uses presented in hearings and in reports made available to the City Council, and on findings incorporated in the cases of *Pap's A.M. v. City of Erie*, 529 U.S. 277 (2000); *Thomas v. Chicago Park District*, 122 S. Ct. 775 (2002), *City of Renton v. Playtime Theatres, Inc.*, 475 U.S. 41 (1986), *Young v. Rec.
