

Weatherization Works!

The low-income Home Weatherization Assistance Program is a FREE service funded by the Federal Department of Energy (DOE) and administered by the Michigan Department of Human Services (DHS). The program provides free energy conservation services for eligible low-income households. DHS contracts with Oakland Livingston Human Service Agency (OLHSA) to operate the program. The Agency determines applicant eligibility, performs the necessary inspections and contracts with qualified, licensed and insured private contractors to complete the work. Their services reduce energy use and lower utility bills, thus creating more self sufficient households.

Energy savings services may include:

- Combustion appliance testing
- Installing ceiling insulation/ventilation
- Sidewall and floor insulation
- Interior sealing of major cold-air infiltration areas, utilizing blower door technology

Eligibility

- Families and individuals who are interested in having their home weatherized must meet current federal income guidelines, which includes the gross income of everyone residing in the home at the time of application
- Recipients of FIP, SSI or SDA who have received benefits during any part of the past twelve months are automatically eligible
- Applications must be residents of Oakland or Livingston County

How to Apply
